

Our **WICKED**[®] Coffees

BEANS AND FRESH GROUND COFFEE

Italian Roast Beans and Ground

Origin *Brazil*
 Central America
 East Africa
 India

Superbly balanced, full flavoured coffee with a good after taste and has bite with slight acidity as all good coffees ought to have. A touch of robusta adds the continental Italian flavour and that pick me up boost!

Wicked But Fair Beans

Origin *Brazil*
 *Costa Rica Tarrazu / Naranjo **
 ** Depending on availability*

100% Arabica. As part of our ongoing scheme to directly support coffee communities, The Wicked Coffee Company has chosen to use coffees from Fazenda Fortaleza in Brazil. Social and environmental considerations are high on the farm's agenda. We will pay a higher than market price to maintain supply, as long as the quality is at the highest level.

A medium light roast a blend of Brazils and Costa Rican beans resulting in a mild well balanced flavour with a rounded taste with a hint of caramel.

Fairtrade Espresso Beans and Ground

Origin *Mexico or Peru**
 Tanzania
 ** Depending on availability*

A distinctive blend of Mexican / Tanzanian coffee. Mexican beans come from the Chiapas region of Mexico while the Tanzanian beans come from Mt Kilimanjaro produced by some of Africa's oldest farming collectives.

The blend produces a slightly acidic, brisk coffee with a rich and penetrating aroma.

Fairtrade Italian Espresso Beans and Ground

Origin *COOCAFE, Brazil*
Aguadas, Colombia

Our Wicked Fairtrade Italian Roast Espresso beans are a dark roast of Arabica beans with a dollop of Robusta for strength. It has a mild aroma, with a hint of smokiness, while it's taste is more distinctive with a soft body. The Robusta beans ensure that it has good crema retention

Fairtrade Ground

Origin *Excelso, Colombia*

100% Arabica. Colombia Fairtrade is a pure Arabica coffee grown at a height of over 1200mtrs on the lush mountainsides of the Colombian highlands. The Colombian coffee industry is the giant of the fine mild, coffee-producing countries of the world with 12% of the world's total coffee production.

This coffee is generally full-bodied with a slight acidity, richly flavoured and produces one of the finest all day drinking coffees.

Jungle Ground and Retail

Origin *Honduras*
Indonesia
Colombia

A smooth and rich, all day drinking coffee. The Honduran and Indonesian beans have been sourced, in conjunction with Operation Wallacea. Contracts have been formed with the villages that commit the whole community to no logging, hunting or changes in existing farm / forest boundaries. In exchange, these communities are paid higher prices (Fair Trade equivalent) for their coffee beans. The Colombian beans are Rainforest Alliance certified.

Latino Filter

Origin

Mild, bright and lightly acidic, a perfect all day coffee. Fragrant, appetising and attractive 'coffee'.

Colombian Decaffeinated Beans and Ground

Origin *Excelso Andeano Natural Decaff coffee, Colombia*

100% Arabica. High mountain, Arabica, pure roast bean. It has a distinctive nutty flavour and medium strength.

Guatemalan Ground

Origin *El Platinillo Estate, Guatemala*

100% Arabica. A strong, smooth and aromatic coffee from huge elephant beans Guatemalan coffees can be spicy, chocolaty, slightly tart and often strong. This coffee is chocolaty with a slight hint of honey and a pleasant aftertaste. Great for daytime drinking.

Costa Rica Ground

Origin *Tarrazu, Costa Rica*

100% Arabica. From the Central Valley high mountains, this is a classic Costa Rican coffee - clean, medium to full body, with bright acidity and berry fruits notes

Java Ground

Origin *Old Brown Java, Indonesia*

100% Arabica. Old Brown Java is an original classic with a smooth strong, velvety texture. It tastes great and is well suited as an after dinner coffee.

Santos and Java Ground

Origin *Santos, Brazil*
 Old Brown Java, Indonesia

100% Arabica. It has a thick smooth taste, which is rich and dark without being bitter.

PODS

Coffee pods are a convenient way of espresso coffee especially if it is low volumes. Coffee pods are freshly roasted coffee, ground and measured to exact requirement weight then encapsulated in paper.

Just pop a coffee pod into the filter holder of your machine to brew a delicious coffee. Then simply throw the used pod into the bin! No mess, no wastage just perfect drinks time after time.
