

ZUMA®

HAPPÉS™

YOU WILL NEED

- Zuma Frappé powder
- Steamed milk
- Hot water
- 12oz cup
- Large red scoop (60.0cc)

Optional extra:
Zuma Toppings & Treats

METHOD

Put ½ scoop Zuma Frappé powder into the cup.

Add a splash of hot water and mix to a smooth paste.

Top up with steamed milk.

Top with a sprinkle of Zuma Toppings & Treats.

Sweet enough...

Hot milk is sweeter than cold milk which is why we recommend using ½ a scoop of frappé powder to make a H(ot Fr)appé.

Either or...

You can also make a Happé by adding half a 40g scoop to the pitcher of milk and then steam it all together.

Don't forget to add your Zuma Toppings & Treats!
